CHARLATAN SET TO MAKE ITS CHICAGO DEBUT AT THE MUSIC BOX

CHICAGO, IL - 2W Productions is set to premiere *Charlatan* at the Music Box on March 15, 2022. This is the debut film from Colin Bowles and 2W Productions, the Chicago based production company that he and Adam Mahan Williams started in February 2021.

Inspired by class inequality that had come to light over 2020, *Charlatan* takes place over one weekend between a group of friends, and one couple's human drive to achieve the American dream.

"We wanted to create our own seat at the table," said Bowles. "*Charlatan* tells a story that a lot of people will be able to relate to, hopefully in some imaginative way". Bowles also reflects on being able to film in Indiana, "We used my aunt's house in Plymouth and my sister's house in Indianapolis so being able for my family and Adams' family to see how the sausage was made was a really special experience."

Charlatan won 'Best Feature' at the Monthly Future of Film Awards *with bringing in four* "Official Selection" accolades at the *Chicago Indie Film Awards, Paus Premieres Festival, and the Festigious Los Angeles Monthly Film Competition*. The screenplay also was an official selection at the *Rhode Island Film Festival* over the summer.

Charlatan was filmed mostly in Plymouth, Indiana which is the setting for the fictional town of Plymouth Hills, Massachusetts where most of the film takes place. Filming locations also included Hartford City and Indianapolis, Indiana, as well as Chicago, Illinois.

Bowles serves as Writer, Director, Executive Producer, and Co Lead. The film also stars the powerful actors Ricky Cortez, Lari White and Chicago based actors, Haley Evans, Courtney Rikki Green. Williams also doubles as Executive Producer and Supporting.

Charlatan has a runtime of 48 minutes and will be available on Prime Video for purchase on March 20, 2022. For interviews, stills, BTS footage and stills, visit our press site at www.twowproductions.com/press
